

Join a Wild Mountain Tribe!

Beginning January 2018

What makes a man a man? How do we teach our sons and grandsons about masculinity?

The Heartland pastors will be helping form tribes over the next few weeks. Tribes will choose their own meeting times and places. Each group of men & boys will walk through *Wild Mountain Tribe*, a 14 week experience that charts a path for older men to initiate younger men into the fraternity of manhood. Questions? Contact any of the pastors at 308.946.2595.
